In the event the Subreserve Claims of a Subreserve Claimant are finally deemed Allowed or Disallowed and such Subreserve Claimant shall have received the appropriate distribution as a result of any allowance of such Subreserve Claims in the same pro rata amount as other holders of Allowed Claims in the same Class under the Plan as of the Effective Date, the related Subreserve shall be appropriately adjusted to reflect such action, with the excess, if any, of such Subreserve to be released into the general Disputed Claims Reserve. and it is further

ORDERED that the Disputed Claims Reserve Procedures as set forth in the

Motion are hereby approved in all respects; and it is further

ORDERED that the Debtors and the Disbursing Agent, as applicable, are

authorized to take any and all actions that are necessary or appropriate to establish and

administer the Disputed Claims Reserve consistent with the terms of the Plan and this Order and to implement the Disputed Claims Reserve Procedures and the terms of this Order; and it is further

ORDERED that, without in any way limiting the foregoing, the following Disputed Claims Reserve Procedures are hereby approved in all respects:

(1) Estimation of Individual Claims

- (a) In the event that the Debtors or the Disbursing Agent, as applicable, determine that it is necessary or appropriate to establish a maximum specific reserve on account of any Disputed Claim (each an "**Individual Disputed Claim Reserve**"), the Debtors may file a Notice of Estimation of Disputed Claim for Disputed Claim Reserve Purposes (an "**Estimation Notice**") with respect thereto, setting forth the asserted amount to be reserved for such Disputed Claim(s) and a summary of the grounds supporting the asserted amount. The Debtors or the Disbursing Agent, as applicable, shall serve the Estimation Notice on the holder of the underlying Disputed Claim(s) (and, if prior to the Effective Date, the Creditors' Committee). An Estimation Notice also may be incorporated into an objection to a Disputed Claim.
- (b) The holder of such Disputed Claim(s) shall have fourteen (14) days after service of the Estimation Notice (the "**Estimation Objection Deadline**") to object to the Estimation Notice by filing an objection, in writing, setting forth with specificity all objections to the proposed Individual Disputed Claim Reserve, together with any documentation supporting such objection (collectively, the "**Estimation Objection**"), and serve such Estimation Objection upon the Debtors or the Disbursing Agent, as applicable (and, if prior to the Effective Date, the Creditors' Committee), so that the Estimation Objection is received no later than 4:00 p.m. (Eastern Time) on the Estimation Objection Deadline.
- (c) If an Estimation Objection is timely filed and served by the Estimation Objection Deadline, the Debtors or the Disbursing Agent, as applicable, shall confer with the objecting party to attempt to resolve the Estimation Objection and determine the appropriate Individual Disputed Claim Reserve for the Disputed Claim, if any. In the absence of such agreement, either party may schedule a hearing on the Estimation Notice and the related Estimation Objection on not less than fourteen (14) days' notice.

The Debtors or the Disbursing Agent, as applicable, shall be entitled to file a reply no later than three (3) business days prior to the hearing.

(d) If no Estimation Objection is timely filed, the holder of the underlying Disputed Claim(s) at issue shall be deemed to have consented to the Individual Disputed Claim Reserve and shall be forever enjoined and barred from objecting to such Individual Disputed Claim Reserve. In such event, the Estimation Notice shall be deemed to constitute a final and nonappealable order of the Bankruptcy Court establishing the Individual Disputed Claim Reserve, and the Debtors or the Disbursing Agent, as applicable, shall not be required to reserve an amount in the Disputed Claims Reserve that is greater than the Individual Disputed Claim Reserve on account of the Disputed Claim(s) at issue.

(2) Disallowed Claims

(a) *No Reserves for Disallowed Claims.* Other than with respect to the amounts reserved in the Disputed Claims Reserve for Inadvertently Disallowed Claims as specified in the Motion, neither the Debtors nor the Disbursing Agent shall be required to maintain any reserves in the Disputed Claims Reserve on account of any Claim, or portion thereof, that has been disallowed or denied by an Order of the Bankruptcy Court (each a “**Disallowance Order**”), notwithstanding any appeal, motion for reconsideration, or similar motion or request for relief that may be filed by the holder of the Claim. A party seeking to appeal, obtain reconsideration of, or any similar relief with respect to a Disallowance Order may request (on appropriate notice and subject to the Debtors’ or Reorganized Debtors’ right to object) that the Court establish a reserve pending such appeal or reconsideration or other relief; *provided, however,* that the reserve for such Claim may not exceed any reserve that may be in place for such Claim prior to the entry of the Disallowance Order;

and it is further

ORDERED that the relief sought in the Motion and granted in this Order, and the actions taken in connection with the creation of and the determination of the Disputed Claims Reserve, are acts to be taken in connection with the consummation of the Plan and as such will

be entitled to the protections provided by the Plan and the order confirming the Plan; and it is further

ORDERED that this Order shall have no effect on the allowance or disallowance of any of the Disputed Claims, and all rights to dispute the validity, nature, amount, or priority of any Disputed Claims are reserved and preserved; and it is further

ORDERED that, notwithstanding anything contained in this Order to the contrary, if the Court determines that all or any portion of any benefit claimed in the Retiree Claims (as defined in the Debtors' Reply), if modified, would give rise to an Allowed Claim (the "**Allowed Retiree Claim**"), then the Debtors shall continue such retiree benefits (as such term is defined in section 1114 of the Bankruptcy Code) under the Plan for the group of affected retired employees covered by the Allowed Retiree Claim in accordance with the provisions of section 1129(a)(13) of the Bankruptcy Code except as may be otherwise agreed to in writing by the Debtors, the Creditors' Committee, and the Retiree Committee; *provided, however*, that the foregoing shall not give rise to any implication that any Retiree Claim is allowable, and all of the rights of the Debtors, the Reorganized Debtors, and the Creditors' Committee to object to or otherwise oppose the Retiree Claims and the Retiree Committee's rights to oppose any such objection or opposition or to assert such Retiree Claims are hereby reserved, including all appeals. Additionally, no reserve shall be required to be maintained in the Disputed Claims Reserve or otherwise with respect to any Retiree Claim; and it is further

ORDERED that the establishment of the Disputed Claims Reserve and the Disputed Claims Reserve Procedures are subject to confirmation of the Plan, and in the event the Plan is not confirmed, any relief granted in this Order shall be deemed void; and it is further

ORDERED that this Court shall retain jurisdiction to hear and determine all matters arising from or related to this Order.

\* Denotes an unliquidated component.

\*\* Claimant owns all or part of a claim subject to a final claim transfer. In instances of a partial transfer, additional holders of a claim are listed separately on this exhibit in alphabetical order.

\*\*\* Wilmington Trust Company filed this claim solely in its capacity as indenture trustee or security trustee for the 98 aircraft specified. The vast majority of this claim is secured and not related to unsecured claims. 78 aircraft included are aircraft for which an 1110(a) Election was made and the debtors have been operating under the existing documentation; 8 aircraft included are aircraft for which the indenture trustee has already agreed to a restructuring and a related unsecured claim and therefore the amounts included in this omnibus claim are duplicative of existing allowed unsecured claims and withdrawals have been requested; 2 aircraft are aircraft that were returned to their respective lessors in December 2007 and January 2008 and have been operated by another major carrier since 2008 to which the Debtors have no outstanding obligations; and 10 aircraft listed may have potential unsecured claims that are currently in discussion, and are not leveraged lease transactions (and therefore do not include any tax indemnity component). The aggregate filed amount related to the 10 aircraft with potential unsecured claims in discussion is \$116,872,276.58.

\*\*\*\* The proofs of claim listed in this exhibit are Disputed Claims (as such terms are defined under the Plan). Nothing set forth herein shall be deemed or construed as an admission of the Debtors as to any liability for any Disputed Claim.

\*\*\*\*\* Claim has been subdivided and transferred by the original holder.
